ELECTRICAL DEPARTMENT

OFFICE OF THE CHIEF ELECTRICAL ENGINEER,
Bangalore, 7th June 1932.
(MYSORE S. INDIA)

ELECTRICAL SECRETARIAT
BANGALORE.
Reg No. 1189
Date 10-6-32

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Electrical Department, Bangalore.

Sir,

PERSONAL -- MR: M. VENKATANARASIMHACHAR.
EX-TELEPHONE INSPECTOR.

I have the honour to state that Mr.M.Venkatanarasimhachar, who was a Telephone Inspector in the M.P.L.Local Telephones, was retired from service from 26th March 1930 on account of retrenchment due to the introduction of the Automatic Telephone System in place of the Local Telephones. He was first appointed as Telephone Operator, Public Offices Exchange, Mysore, on 1st March 1910, at which time the Telephone Establishment was under the control of the P.W.D. though the supervision was vested in this Department. His pay was being debited to the P.W.D.(Mysore Division) till 1st July 1918, when his services were transferred to the Electrical Department. He has, therefore, put in a service of 8 years & 4 months in the Public Works Department and has drawn emoluments as under:-

1st March 1910	to end of	October 1911.	₨15/- p.m.
1st Novr. 1911	-do-	June 1916.	₨20/- p.m.
1st July 1916	-do-	June 1918.	₨22/- p.m.

As he has put in a qualifying service of 8 years & 4 months in the P.W.D. and is eligible for gratuity under Arts.250 & 356(a) of M.S.R., he may be kindly granted the gratuity of ₨176/- calculated on the emoluments drawn by him last in the P.W.D. (vide copy of letter received from the Superintendent, M.P.L., furnishing the particulars of pay drawn by him during the above period of 8 years as far as they could be verified.)

After his absorption in the Electrical Department, Mr. Venkatanarasimhachar was employed on the Work Establishment till the date of his retirement, i.e. 26-3-1930. When the Work Establishment Provident Fund Scheme was introduced in November 1928, Mr.Narasimhachar contributed to the same, & the amount that was at his credit on the date of his retirement, (including the Govt.share of contribution of Rs26-14-3) was refunded to him.

As his total service comes to over 20 years and the Work Establishment Provident Fund Scheme was not in any way beneficial to him owing to its introduction at about the tail end of his service, I request you to kindly obtain & communicate sanction of Government for the grant of a bonus of half a month's pay for each complete year of his past service in the Work Establishment of this Department up to the date of the introduction of the Provident Fund Scheme, on the basis of pay drawn in June of each year, as was sanctioned to Messrs.G.Audinarayana Rao, B.G.Ramaswamy Iyengar, B.Krishna Rao, etc., vide Government Orders Nos.Fl.5317-18/S.& A.195-29-2 dated 5/6-2-1930, EDS.1649 dated 19/21-4-1931 & Fl.8370-72/S.& A.393-31-3 dated 18-5-1932 respectively. The bonus payable to Mr.Venkatanarasimhachar on the above basis will amount to Rs208/- as per details below:-

Pay drawn in June of		1919.	.....	Rs35/-

LOCAL TELEPHONE ESTABLISHMENT.

With reference to your letter No.70749 dated the 16th January 1932 calling for details regarding the wages drawn by Mr.Venkatanarasimhachar, retired telephone inspector (in charge of Palace Telephone Lines,) from the year 1910 up to the 1st of July 1918, I beg to submit herewith the statement of wages drawn monthly by Mr. Venkatanarasimhachar during the above period except - those for the year 1918 for want of relevant records, as verified & intimated to this office by the Executive Engineer, Mysore Division, Mysore, to whom the wages of the party as Palace Telephone Inspector was being then debited.

The details required for the period from 1st July 1918 to the date of retirement has been furnished in my letter No.4645 dated 10-1-31. You will thus find that his services for 6 months from 1st January 1918 cannot be verified. Even in the statement furnished by the Mysore Division, there are some months for which details of wages drawn are not furnished. I therefore suggest that wherever there are such gaps, the wages drawn by the party during the immediately preceding month for which the information is available may be taken for purposes of calculating the bonus due to him. The party has worked satisfactorily throughout his service. He was not only looking after Departmental telephone lines, but also the Mysore-Bangalore Palace Telephone Lines, vide your No.3884 dated 30-6-1920 appointing him as Palace Telephone Inspector.

I, therefore, recommend for favourable consideration that he be granted bonus based on a month's pay for each year of service.

The Service Register of the party is herewith enclosed.

Sir,

GRANT OF BONUS TO MR.M.VENKATANARASIMHACHAR,
EX. TELEPHONE INSPECTOR.

With reference to your letter No.EDS.253 of the 22nd August 1932, on the above subject, I have the honour to state that the certificate furnished by my Financial Asst. relates to the entire service (both in the Public Works & Electrical Departments).

Since the party was borne in the Work Establishment ever since he was taken on to this Department, no regular record of his service was maintained till 1922. But the pay drawn by him in June of each year was ascertained - from the labour rolls of the month maintained in the M.P.L. Section and the transfer advices filed in the Public Works Department. A Service Register was opened in this Dept. from 28th December 1922. It is herewith sent for reference.

As a few other officials of the Local Telephone Establishment who were employed under similar conditions have all been granted the bonus calculated on the above basis for want of regular Service Registers, the same concession may kindly be extended in the present case also, and the bonus of Rs208/- as recommended in this office letter No.

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Electrical Department, Bangalore.

Sir,

Personal -- Mr. B.Krishna Rao and Mr. M.Venkatanarasimhachar, Retired Telephone Operators.

Adverting to G.O. No. Fl.8370-72/S&A.393-31-2 dated 18-5-1932 sanctioning the grant of a pension of Rs.6/- to Mr. B.Krishna Rao, Late Telephone Operator, for the service of about 15 years rendered by him in the Public Works Department and a bonus of Rs.198-8-0 for his service in the Electrical Department, I have the honor to state that the party has now put in a petition requesting that he may be granted full pension calculated on his entire service both in the Public Works and Electrical Departments, as has since been done in the case of Mr. G. Audinarayana Rao.

The case of Mr. Krishna Rao is exactly similar to that of Mr. G.Audinarayana Rao. In view of the fact that there was no change of duties but only a transfer of control of the entire Telephone Establishment from the Public Works to the -- and as the Electrical Department Electrical Department, provident fund which was introduced just before their retirement from service did not afford them much benefit, I request you to kindly obtain the sanction of Government for the grant of full pension on the total service of about 28 years (from 2-2-1902 to 12-1-1930) put in by Mr. Krishna Rao both in the P.W. and Electrical Departments. He was granted only 6 months furlough during his entire service.

A petition from Mr. M.Venkatanarasimhachar whose case also is analogous to those of Messrs. Audinarayana Rao and Krishna Rao has since been forwarded by the Financial Secre-

(P.T.O.)

tary with his letter No.Fl.3929 dated 16-1-1933 for my opinion and I therefore recommend that he may also be granted the pension admissible for the total service of about 20 years (from 1-3-1910 to 25-3-1930) put in by him. The representation of Mr. Venkatanarasimhachar received with the above letter of the Financial Secretary is herewith returned.

The above concession was not proposed at the time of recommending their cases, as Government were not agreeable to grant the same when it was recommended in the case of Mr. Audinarayana Rao.

I have the honor to be,

Sir,

Your most obedient servant,

C. M. Rampa

Chief Electrical Engineer.

Petn. Regr. No. 1099

To

Sir Mirza M.Ismail .,B.A., O.B.E., C.I.E.,

Dewan of Mysore ,

B A N G A L O R E.

Most Respected Sir,

I was a Telephone Inspector of M.P & L . Mysore and I was retired on 1-8-1930. (26-3-30) Eversince My appointment in the Mysore Division (P.W.D) I have been continuously in the Telephone ~~Depart~~ Establishment.

Due to Exegencies of work and management , the Telephone Establishment was transferred from the P.W.D proper to the Electrical Department in 1918. But the services of similarly placed officials in the P.W.D (e.g.Water supply Division or P.W.D Divisions) have been rewarded on retirement with due pension. In my case the service in the Mysore Division (P.W.D) is 8 years and 4 months : inthe Electrical Department 12 years.

In G.O.Fl 2131-3/S.A 166-32 dated 19-10-32 the entire period is treated as deserving of gratuity only and the total amount sanctioned is rupees 384/-.

I was working as a Telephone Inspector looking after Palace Telephones and if my pay is

P.T.O

is debited to the Electrical Department , it was a matter of accommodation. I had very strenuous work both during day and nights as you yourself must have been aware of and I was toiling all along hoping to be favoured with due pension in my old age. But I do not know why the Chief Electrical Engineer has not taken any of my approved services into his benign consideration while recommending my case , though the Superintendent M.P & L under whom I was working was kind enough to recommend me one months gratuity for the service in the Electrical Department.in his letter No. 15859 dated 9/4/32 which has not been heeded to by the Chief Electrical Engineer at all.

My humble prayer is that my work (I hoped) merited some kind of sympathetic treatment and even if the entire service of 20 years is taken as deserving of some recognition I shall be getting a pension of under rupees 20/-.

As my work practically all along was for Palace Telephones for ordinary and Automatic Telephone lines as the nature of work extracted of me was strenuous I humbly beg of you to kindly treat my case as deserving of pension which will be just enough to keep only one or two souls alive. I am a man with a big family and the present gratuity so kindly sanctioned in the G.O of 19th. ~~September~~ October 32 will only be fritted away in a couple of months after which I shall be left to eke out my livelihood at the mercy of charitable persons. (If My case is not

to be treated in the ordinary course as deserving of pension , I humbly beg of your honour to kindly take pity on my hard case and pass Special orders to grant me Pension instead of the gratuity now so kindly sanctioned for me.

Begging to be pardoned for intruding on your mercy ,

Yours Obediently,

Venkata Narasimha Char
